Riding tandem is all about teamwork and having fun, so what better way to celebrate Valentine's Day than a tandem tour of Mid Wales!

This two-day ride begins in the beautiful market town of Rhayader, where you spend the first night. Take in the dams and reservoirs of the Elan Valley on your way to Builth Wells, your second overnight stop, and keep an eye out for Red Kites overhead. Then it's on down the Wye Valley to finish in the booktown of Hay-on-Wye, nestling below the Black Mountains on the edge of the Brecon Beacons.

Your short break package includes:

- Two day tandem hire.
- Two nights accommodation in carefully selected luxury B&Bs.
- Pick up and drop off at the start and end of your ride.
- Daily luggage transfer – so you ride unencumbered!
- Route map and background information for your ride.
- A bottle of champagne on arrival.
